

Are you interested in a different sort of volunteer experience?

TeamOCEAN might be just the opportunity for you!

TeamOCEAN is a kayaker outreach program designed to reduce wildlife disturbance while providing interpretation on the water.

We offer:

- Training in natural history of local flora and fauna.
- Kayaker safety classes for all volunteers.
- Techniques on how to approach other kayak enthusiasts and educate them on the proper wildlife viewing techniques for local wildlife.
- Volunteer hours for kayaking in Elkhorn Slough or off Cannery Row.

If you are interested in volunteering, please come to an informational meeting at 7pm on March 1st at the Monterey Bay National Marine Sanctuary office at 299 Foam St. in Monterey (corner of Dickman and Foam Streets)
